# welcome to Camp Dakota

Dear Parents & Campers,

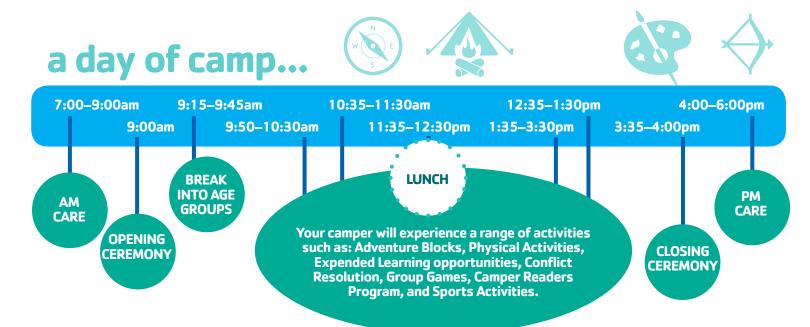

We look forward to creating a camp experience that helps develop the children of our future through growth in spirit, mind, and body. While providing a safe and fun recreational environment, campers will be exposed to many new and educational activities. We will continue to focus on our core values of Caring, Honesty, Respect and Responsibility. At the Wilson-Gray YMCA Youth and Family Center, we firmly believe these values are the most important values in life, and we teach them to the children attending all of our programs.

We will also continue to provide educational activities to help prevent summer learning loss. There will be a balance of indoor and outdoor activities, offering a wider variety of program activities and showing children how to better appreciate their natural environment.

The Camp Dakota staff and I would like to welcome the opportunity to be a part of your child's summer camp experience and help them build lasting memories.

Register today for YMCA Camp Dakota, where children don't come and go, they experience lessons for a lifetime!!

# health and safety

Our day camp meets the highest health and safety standards of the YMCA and the Connecticut Department of Health. Camper safety is the most important aspect of camping and will be emphasized during staff recruitment, training, and throughout the summer. First aid equipment is always available and staff is trained in First Aid and CPR.

# expert staff make it fun

Our camp is only as good as the people who staff it. By this measure, Camp Dakota is very special. Camp staff is selected on the basis of experience, education, sensitivity, and enthusiasm. The entire staff participates in an extensive training session, which includes certification in CPR and Standard First Aid. Background checks are conducted on all members of the staff. All of our specialists and lifeguards are certified in their respective areas. Our goal is to serve as role models and to help each camper gain skills and enhance his or her self-esteem.
