

FOR YOUTH DEVELOPMENT  
FOR HEALTHY LIVING  
FOR SOCIAL RESPONSIBILITY

Dear YMCA Family,

Thank you for choosing the Glastonbury Family YMCA for your before and/or after school enrichment needs. We are excited to welcome you and your family to our program and look forward to a great 2018-19 school year!

The Y's focus is on youth development, healthy living, and social responsibility. At the YMCA of Greater Hartford our child development programs aim to nurture young people by providing a safe place to learn foundational skills, develop healthy, trusting relationships, and build self-confidence.

Our early childhood and before and after school programs follow the State of Connecticut requirements and regulations for child care programs. In addition to meeting the state's expectations, we also collaborate with many local and state organizations to offer the highest quality experiences for your child.

Please review this registration packet carefully. Complete and accurate information helps us to provide the best possible care for your child throughout the year and in the event of an emergency. If you have questions or need any additional information now or throughout the year, please feel free to call or to email me.

Sincerely,

## Child Care Memorandum of Understanding: 2018-19 School Year

Child Name

Site/Program

1. Parents/guardians are required to sign child in & out of program every day. This includes the time of drop off & pick up as well as a signature.
2. Each child must be able to fully participate in all activities. If they are ill and cannot fully participate, a parent/guardian will be contacted to pick them up within one hour's time.
3. The YMCA promotes a safe environment for all children and staff. If a child acts inappropriately the behavior management policy lays out guidelines and the procedures that the YMCA will take to ensure the safety of the group.
4. The YMCA follows all State of CT guidelines when administering medications. Only certified staff may administer medication; collection of the appropriate forms signed by parents and physician is necessary and parents must provide medication in original, labeled container.
5. The YMCA must have accurate and up-to-date health and medical information for each child according to CT Department of Public Health regulations. Children may not participate in child care programs if health and medical forms are absent or expired. Medical Records expire after 2 years for school-age programs.
6. The first 30 days will be regarded as a trial period, in which case either party may terminate the contract without notice. After the first 30 days of enrollment, a two week written notice must be provided to the office when changing your child's schedule or withdrawing from the program.
7. Child Care payment is due monthly for the month of service. For example, payment for the month of October is due October 1<sup>st</sup>. All payments are due before the end of the first week of the month. A late fee of \$5.00 will be assessed each day a payment is late, starting with the 2<sup>nd</sup> week of the month. If your payment has not been received by the end of the 2<sup>nd</sup> week of the month, your child will not be permitted to attend care until an agreement has been made with the Business Manager. *All payments must be made using an electronic draft or balance must be current by the 1<sup>st</sup> of the month. Flexible payment plans can be scheduled as needed.*
8. Two-party payments are available upon request of the parent/guardian.
9. The YMCA agrees not to share information with non-regulatory outside agencies who have not been designated by the parent or guardian.
10. The YMCA is required to collect copies of all court orders & custody agreements regarding the child's limited access to the parents and/or guardians.
11. All YMCA School Age Child Development Programs follow the public school calendar of the town they serve. If the schools are closed to weather or vacations, the YMCA Child Development programs will also be closed. Delayed openings and early releases are determined by the schools administration. Please contact your YMCA branch for additional information.

**I have read and understand all policies and procedures including but not limited to the items outlined above.**

## Child Guidance & Discipline Policy: 2018-19 School Year

Child Name

Site/Program

It is YMCA procedure to use positive techniques of guidance with all children. Staff will set appropriate expectations and will have guidelines and environments that will minimize the need for discipline. Staff will be aware that all children are different and respond to different disciplinary techniques. The best results are achieved when parents and staff work together. Therefore, staff will communicate any behavior issues to parents promptly and be available for discussion.

Staff will be responsible for managing child behavior using techniques based on developmentally appropriate practice, including positive guidance, redirection, and setting clear limits that encourage children to develop self-control, self-discipline, and positive self-esteem.

The following are YMCA policies of positive guidance and discipline techniques:

1. Staff will divert attention away from any activity that they disapprove of by substituting another toy/game or leading the child to another activity.
2. Staff will offer children choices of activities/games they can participate in.
3. Staff will set limits for children that are consistently enforced and are based on reasons children can understand.
4. Children will be given warnings when they have done something wrong. Warnings are necessary to allow children to know in advance what to expect, reduce resistance and ease transitions.
5. Staff will structure the environment in such a way to help reduce misbehavior and accidents.
6. Staff will redirect behavior. It is necessary at times to move a child away from a behavior by suggesting an alternative acceptable behavior.
7. Staff will model appropriate behaviors for children.
8. Staff will be aware when a conflict between children arises. Staff will engage children in helping to solve the problem by analyzing the situation and all possible solutions, and working with the children to pick one they all agree as the best one.
9. Staff will separate children if they are having difficulty getting along.
10. Staff will remain objective when there is a problem with a child.
11. Staff will give children positive attention, and will engage children in behaving positively.
12. Staff will encourage children to behave positively and to continue to behave in appropriate ways.
13. Staff will explain the consequences of misbehavior to all children, and will continually remind students of the consequences.
14. No child will be physically restrained unless it is necessary to protect the health and safety of the child and others.
15. Site Directors and staff will discuss positive guidance techniques with parents, and will review these techniques as needed during the period of the child's enrollment.
16. The parent/guardian will be required to pick the child up from the child development program when a child's behavior is deemed unacceptable and/or is a safety risk to self or others. When the parent(s)/guardian(s) have been called more than two times during one week to pick up the child, and there has not been an improvement in their behavior, a meeting between the parent(s)/guardian(s), staff, and Program Director will be held to develop a Behavior Management Action Plan.
17. If a child's behavior is determined by the Program Director and Executive Director to be a danger to the child, to other children or to the staff in a program, parents/guardians will be required to withdraw the child from the program.
18. Staff will report actual or suspected child abuse or neglect, or imminent risk of serious harm of any child to the Department of Children and Families as mandated by section 17a-101 to section 17a-101e inclusive, of the Connecticut General Statutes. Connecticut General Statutes identifies professionals who, because their work involves regular contact with children, are mandated by law to report suspected child abuse and neglect. All YMCA employees are considered Mandated Reporters by the State of CT. Mandated Reporters are required to report abuse or neglect based on a reasonable cause to suspect, such as what is observed, what is told or said.

I have read, understood, and if questions discussed the Child Guidance and Discipline policies of the Glastonbury YMCA.
