WESLEY A. KUHRT
YOUTH CITIZENSHIP AWARD FOR
COMMUNITY SERVICE**

The United Technologies Corporation and the YMCA of Greater Hartford have established a **Youth Citizenship Award for Community Service** in memory of WESLEY A. KUHRT, former President of Sikorsky Aircraft and United Technologies Corporation Senior Vice President.

During his lifetime, Mr. Kuhrt was an outstanding community leader providing endless hours of volunteer service. Through this award we hope to inspire and encourage young people to follow his example.

This award will be awarded for meaningful volunteer service to others in their community. It is not intended solely for academic achievement or heroic activity, but to honor young people who reach out to help others on a regular basis. Volunteer service could be through hospitals, schools, other non-profit organizations or on an individual basis.

The Youth Citizenship Award recognizes up to four young adults. **The recipients and their parents/guardians will be asked to attend the YMCA of Greater Hartford's Annual meeting being held on the evening of April 20, 2016, at The Society Room of Hartford in Hartford. During the meeting, the awardees will be publicly recognized and receive their award consisting of a \$1,000 check and commemorative plaque.**
