

## “Y Without Walls”

### **GYM MEMBERSHIP**

The Tri-Town YMCA is a “Y Without Walls” or a non-facility branch. Every Y is different, and we host mostly youth programming with the help of community collaborators—we do not have a gym where you can join a monthly membership.

The Tri-Town program space hosts programs a couple hours each week and acts as an office for our program director. The West Hartford YMCA and Tri-Town YMCA offices are located at 12 North Main Street in West Hartford Center—this is where most of Tri-Town’s business is managed as opposed to the program space.

The Tri-Town YMCA also offers before and afterschool childcare at three sites, available to all children in the Wethersfield public school system.

For gym membership, please reach out to one of our other YMCA branches, listed at [ghymca.org](http://ghymca.org)
