Purple classes are cycling classes

Orange classes are non-cycle membership-included group exercise classes

Blue classes are programs and require registration and an extra fee

Green classes are for Active Older Adult

**F**  
Family-friendly classes

**B**  
Beginner classes, for all levels

**A**  
Advanced classes, for those with fitness

**CLASS DESCRIPTIONS** – Group exercise classes are for all levels of fitness. Inform the instructor if you are new to the Y, we are happy to show modifications for all levels of fitness.

**BOOTCAMP** – This high-energy program includes an intense cardiovascular workout and strength training drills– develops strength, stamina and agility.

**BALLET FIT** – Combine ballet training with pilates, strength and flexibility to create long, lean muscles.

**GENTLE YOGA** – Perfect for all levels, this practice focuses the healing art Yoga on the student, while remaining deeply rooted of the vast treasury of the spirituality & wisdom within the yoga tradition.

**GROUP CYCLE** – A high-energy class that simulates an actual ride targeting heart rate zone training, lower body strength, endurance, and lots of sweat. Appropriate music is played to help motivate you through the ride.

**GROUP CYCLE EXPRESS**– A 30 minute version of our high-energy Group Cycle class.

**HIIT** – HIIT is a form of interval training with an exercise strategy alternating periods of short intense exercise with less intense recovery periods. Intense cardiovascular exercise that improves athletic capacity and condition. Also improves fat burning and glucose metabolism.

**INSANITY** – INSANITY is a cardio class based on max interval training. This class will push you past your limits with athletic/plyometric drills mixed with intervals of strength, power, resistance, and core training. No equipment or weights needed. you don't have to be in extreme shape -- levels of each exercise are provided. Time to dig deep!

**JUKIDO** – Learn the basics of Jukido, a form of Jujitsu, which means “the way of gentle, flowing power.” Jukido classes are a modern system of fitness stressing discipline, honor and loyalty.

**KIDS FITNESS** – A group fitness class for kids ages 4-7 incorporating games, exercise, and FUN!

**PILATES** – Learn the subtleties of proper core engagement and be challenged to hold this engagement building your endurance. Instructor teaches functional movement using static holds, dynamic exercises and detailed explanation of subtle feeling. You will get stronger while pesky aches and pains diminish.

**POWER HOUR** – An intense hour mixed with drills and strength training that will push you to your limit!

**POWER YOGA** – You will be lead through a dynamic, powerful, playful practice that allows you to work at your own level. Delivers a physical yoga practice as a tool of transformation, encouraging you to reclaim your full potential, discover creativity, awaken passion, and create authenticity, confidence and new possibilities.

**SILVER SNEAKERS CLASSIC** – The goal of the class is to help participants increase strength, range of motion, agility, balance and coordination utilizing various equipment including resistance bands and chairs.

**STT**– Strength Train Together is a cardio-based strength training program that targets each major muscle group. It's a great way to build cardiovascular strength, improve bone density and tone lean muscle mass.

**TAI CHI FORM** – (Chi Kung) Ancient Chinese exercise system that uses slow, smooth body movements described as “mediation in motion.” Tai Chi will help improve balance, enhance strength and flexibility, reduce stress, lower blood pressure, and ease chronic pain.

**TAI CHI QIGONG** – Provides the same benefits as Tai Chi Form but includes exercising the mind through memorization, deep study and commitment.

**YIN YOGA**– A practice that connects deeper connective issues. It helps bring mobility to the joints, makes bones stronger and stimulates energy flow.

**YOGA**– A multi-level class for both new and experienced students. Yoga will help cultivate self-awareness and stress reduction while exploring strength, flexibility and balance. Using breath work, alignment, postures, sequences and relaxation techniques, students will leave having learned tools to use for their life-long well-being.

**YOGA FOR STRENGTH** – Yoga flow geared towards athletes to help with flexibility and recovery.

**ZUMBA** – Zumba® is a fitness program inspired by Latin dance. Zumba® consists of Latin rhythms with cardiovascular exercise to create an aerobic routine that is fun and easy to follow. The name Zumba® is derived from a Columbian word meaning to move fast and have fun.

**ZUMBA STEP**– A lower body workout that incorporates Zumba routines and step aerobics.

**ZUMBA TONING** – Zumba Toning keeps Zumba's essence while focusing on strength training the arms, abs and thighs.
