		Warm Water Pool					

This class uses a gentle range-of-motion workout to help people with arthritis improve joint flexibility and decrease pain or stiffness through the warmth, buoyancy and gentle resistance of an aquatic environment

*Is a fee based class

**AQUA STRETCH:

Let the warm water loosen and stretch out your tender muscles; this class is low impact and appropriate for all fitness levels. Let the warm water loosen and stretch out your tender muscles; this class is low impact and appropriate for all fitness levels.

**Registration is required, stop at the front desk or ask the Aquatics Office for more

AQUA ZUMBA:

Join the Zumba "pool party". This class blends everything into a safe, challenging, water based exercise that is body toning and most of all exhilarating!

AQUA FITNESS:

A combination of cardio and strength conditioning with low impact on your joints. Participation in the class will improve cardiovascular endurance and muscle strength
