WATER FITNESS CLASSES:
Shallow Water Fitness: Wake up and start your day with a comprehensive workout! This class includes stretching, toning, & core work. Feel refreshed & energized to enjoy the rest of your day! This is a great class for ALL Fitness Levels!
Aqua Zumba: blends the Zumba philosophy with water resistance, for one pool party you shouldn't miss! There is less impact on your joints during this class so you can really let loose. Water creates natural resistance, which means every step is more challenging and helps tone your muscles.
Qui Gong Water Yoga: TBD

NOTE: The 'ramp' area of the multipurpose pool is always available for open swim. However, please note that if there are programs going on elsewhere in the pool, the water features will not be turned on.

Birthday parties utilize the pool in the afternoons on weekends. Open swim is still available during this time.

Pool Schedule is subject to change at any time based on the needs of scheduled program activities, YMCA events, and inclement weather.
