

Message from Jaime Barone, Chelsea Piers CT:

We are excited to host Age Groups again this year! We just put in brand new 6” competitor lane lines and purchased 10 new Myrtha Starting Blocks with track start wedges. Hopefully the meet will be faster than ever.

Attached you will find the seating chart. I am pretty sure everyone is there. The number to the left of your team abbreviation corresponds to where you are on deck, the second number is the largest number of swimmers you have. Given the four sessions, the pool will never feel that full. We have 250 chairs plus 5 sets of bleachers on deck, with the biggest session around 230 swimmers there will be plenty of seating for everyone. I probably didn’t need to do the map year, but I love a good seating chart.

Please distribute the parking map attached to your families. It is critical that everyone abide by the parking zones to minimize the impact on the rest of the building’s programming. Please let me know if you have any questions. I will be on site most of the weekend and will help people find seats if they can’t find themselves on the map.

Chelsea Piers CT – Swim Meet Parking
