IMPORTANT INFORMATION – A SAFE POOL IS A FUN POOL!

Taking pictures or video as well as cell phone use (calls, texts, emails etc may be handled in the hallway) is not permitted at any time.

You must shower before entering the pool(s) or spa. It helps to minimize the smell of chemicals and keeps the water clean from oils, lotions, deodorants, sweat, etc.)

Please walk; no running.

Children under 7 years of age must have a parent/guardian in the water within arms reach and/or wear a Coast Guard approved life jacket at all times.

Children under 11 years of age must have a parent/guardian in the pool area at all times.

Only Coast Guard approved floatation devices are permitted.

The only inflatable device allowed is a beach ball.

Please jump and dive only in the deepest end of the lap pool. Starting blocks are only for program use.

Please do not hang or sit on the lane lines (they can break).

You must be at least 15 years of age in order to use the spa (remember that honesty is a YMCA core value).

Minimize splashing.

Keep your hands and feet to yourself - no rough play or piggy back rides.

Extended breath holding is not permitted including hypoxic training and breath holding games.

Food is not allowed on the pool deck at any time.

All swimmers age 16 & younger must be swim tested and wear a YMCA Deep Water Approved wristband.

Have you had your SWIM TEST?

Remember to wear your green wrist band! A lifeguard will ask you to exit the pool without it.

Need another one? No problem - bands can be purchased for \$1 at the front desk.
