Join us for a night of laughter, fun and painting while we raise money for the Downtown YMCA's Annual Campaign.

**All money raised supports:**

- Youth swim lessons to increase safety around water
- The LIVESTRONG® at the Y program for cancer survivors
- Footlights – a performing arts and education program which focuses on the artistic and academic success of its participants.
- Scholarships awarded for memberships to allow individuals and families to participate at the Y.

It is because of the generosity of community supporters that we are able to provide our programs and services to those in our community who need them most.

**Cost for a Paint Station \$250**
