

YOU BELONG

YOU'VE JOINED A GREAT COMMUNITY

The YMCA of Greater Hartford has been serving and strengthening its communities since its founding in 1852. The YMCA in Hartford worked with young men drawn to the city looking for employment opportunities. The YMCA struggled in its infancy, but thanks to support from Colonel Charles A. Jewell and General Charles T. Hillyer, it survived, incorporated in 1886, and built its first Hartford facility in 1892.

The Y offered its first structured camping program in 1886 and built the first indoor swimming pool in Hartford in 1892. Girls and women were accepted as associate members by a vote of the Board of Directors in 1963. In 1918, The Hartford County YMCA began serving children in 12 cities of the then poor rural areas. It provided many needed programs through a network of "YMCAs without walls".

Our movement is made up of people of all ages and from every walk of life, all working side by side to ensure that everyone, regardless of gender, income, or background has the opportunity to learn, grow, and thrive!

This handbook will help you become acquainted with what the Y has to offer you. As a Y member, you now belong to a community of men, women, and children who strive every day to be healthy, confident, and connected. That's why we're here working to make sure that you, your family and your community have the resources and support needed to be the best that you can be.

At the Y, we exist to strengthen community. Together with people like you, we nurture the potential of kids, help people understand and improve their health, and provide opportunities to give back and support our neighbors. Your membership will create meaningful change not just for you, but in your community too.

You have taken the first step toward achieving a healthy spirit, mind, and body. Our first priority is to see that you feel at home.

**This is your Y,
and you belong here.
Enjoy your membership.**
