PROGRAMS

Preschool Camp

Preschool Camps are a great way to introduce young children to the fun of camp at the YMCA. In half-day or full-day sessions, campers ages 3 up to going into kindergarten enjoy activities designed for their unique age, with more individualized attention and time for rest.

Traditional Day Camp

Day camp is all about discovery. Campers are given the opportunity to explore nature, find new talents, try activities, gain independence and make lasting friendships. Activities may include theme-based weeks, arts & crafts, sports, outdoor play, music and dance, recreational swimming, and family events!

Specialty Camps: ages vary by camp

Campers explore interests and dig deeper into their favorite topics. Campers learn the fundamentals of their activity and work towards a better understanding of their interest.

Teen Camps

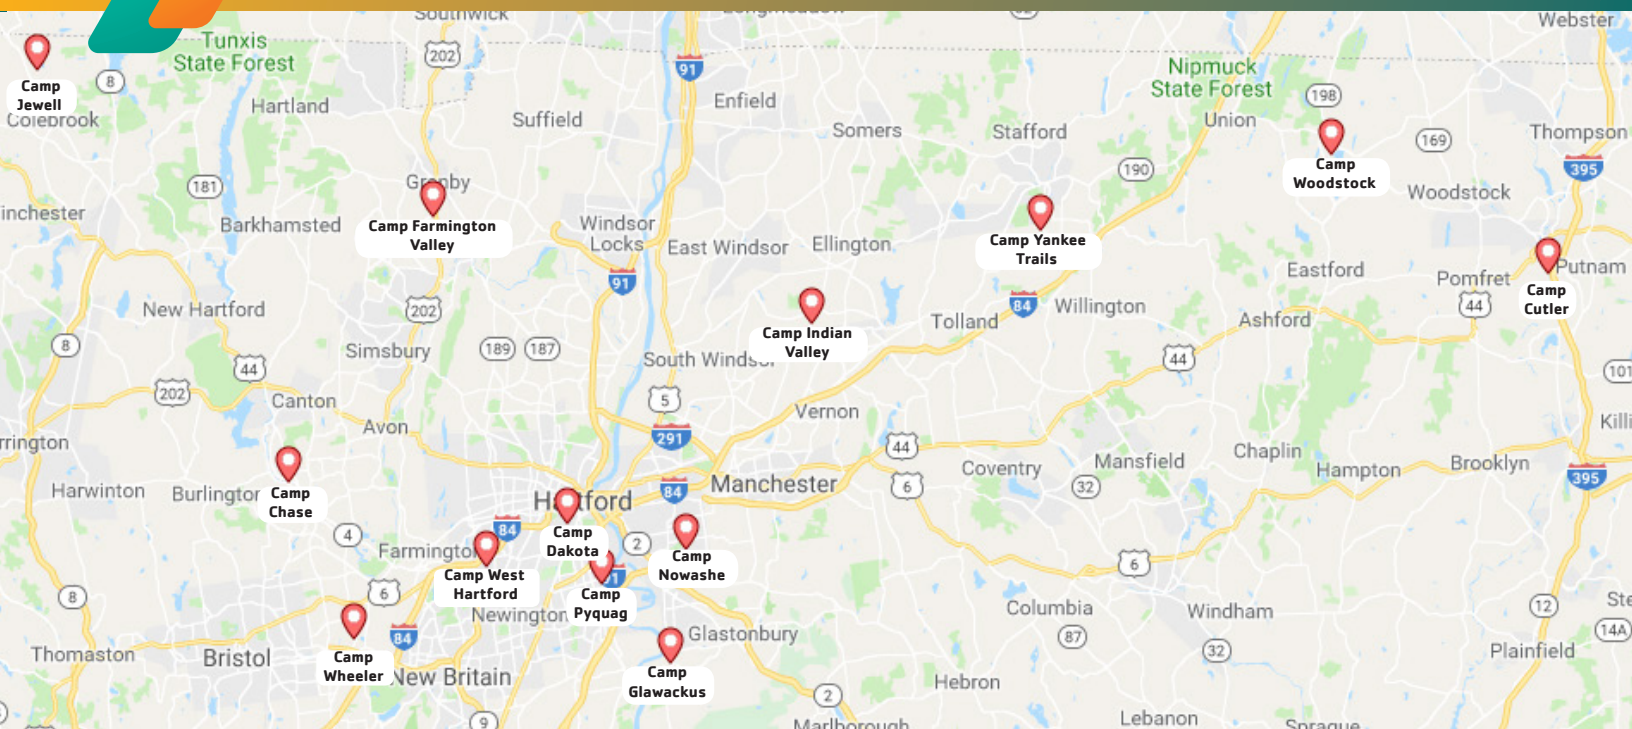

Teen Camps are designed to keep pre-teens and teens active and engaged in a variety of activities designed to build friendships and develop interpersonal and leadership skills. Campers spend their week(s) traveling to local venues and participating in exciting activities such as rock climbing, kayaking, mountain hikes, overnights and more!

Teen Leadership Programs

Teens' going into freshman and sophomore of high school will focus on learning about themselves and what they have to offer the community as tomorrow's leaders.

Well-Trained Staff & High Standards:

At the YMCA, your camper's welfare is the number-one priority. The staff members are trained to understand the varying needs of children. In order to provide safe, quality experiences for children, the screening, training, and supervising of our staff is imperative. Our directors work closely with applicants to ensure that camp has quality individuals who demonstrate a mature attitude, sound judgment and an ability to relate to children. Staff members receive comprehensive on-site training, which includes certifications in first aid, CPR, and basic water safety.

Quality Programs:

The YMCA of Greater Hartford has over 60 years of experience providing fun, safe camping programs that teach leadership, team-building, and sportsmanship. Your child will be encouraged to learn new skills and try new activities. The possibilities of fun and adventure are endless with each camp's property designed and programmed to meet your campers needs. Through programs and modeling, children come to a better understanding of the core values of the YMCA: Caring, Honesty, Respect, and Responsibility.

The safety of each camper is our primary concern. YMCA camps meet the 300 standards-of-excellence of the American Camp Association, as well as all state licensing standards.

Age Group Ratios:

In accordance with State of Connecticut policy, as well as the American Camping Association Accreditation, all YMCA of Greater Hartford camps strive to maintain the best staff-to-camper ratio possible. Ratios are typically smaller at waterfronts, as well as when we take field trips or leave camp.

Age	Camper-to-Staff Ratio
3-5	6-1
6-8	8-1
9-15	12-1
