**SENIOR STRENGTH CIRCUIT**- This drop-in class will focus on strength training for Seniors using our pin-selected strength equipment in a group setting. You will be put through a total body workout by following our Express 10 workout and lead by our H & W staff.

**SENIOR STRENGTH & BALANCE** - A perfect fit for the beginner or anyone looking to improve flexibility and strength, two factors that have been proven to help reduce falls and improve balance.

**SILVERSNEAKERS CIRCUIT®**-Circuit is designed to improve cardio fitness by alternating cardio and strength intervals. Our cardio segments will elevate your heart rate and improve coordination. Strength intervals will mix isolation strength with full body mobility work

**SILVERSNEAKERS CLASSIC®** - Focuses on strengthening muscles and increasing range of movement for daily life activities. Participants can use hand-held weights, elastic tubing with handles and a SilverSneakers ball. Often a chair is used for seated exercises or standing support.

**GENTLE PILATES**- Great for all levels of fitness. A modified Pilates program designed for total body conditioning through flowing movement and breath.

**GENTLE YOGA**- - Perfect for all levels, this practice focuses the healing art Yoga on the student, while remaining deeply rooted of the vast treasury of the spirituality & wisdom within the yoga tradition.
